

OSMOZ GIN CLASSIC

**A distilled Gin, 100% French, crafted from Grapes
Recipe made from the main aromas of our cognacs**

- ✓ BOTTLE TYPE : MIXOLOGIST 70CL
- ✓ 43%VOL / 6 BOTTLES PER CASE

OSMOZ CLASSIC is the ideal creation of Laurent VALLET.
The juniper taste is predominant whilst still being supported by a pleasant aromatic sweetness, combining freshness and complexity.

MAKING PROCESS

- MACERATION OF JUNIPER BERRIES AND CORIANDER WITH ALCOOL FROM GRAPES DURING 36HOURS
- DISTILLATION OF THE MACERATION → GIN @80%VOL
- SLOW REDUCTION TO 48%VOL
- ADDITION OF NATURAL DISTILLED AROMAS OF FRUITS AND PLANTS = AROMATIZATION
- REDUCTION TO 43%VOL
- FILTRATION AT 5 – 7°C (NOT CHILLED)
- BOTTLING

TASTING

The nose of OSMOZ CLASSIC is traditional; the note of juniper is very expressive and full of delicateness. An herbal hint provided by coriander brings freshness. Balsamic and resinous aromatic notes.

Very complex, OSMOZ CLASSIC develops on fruity citrus notes, even on fresh apricot with a taste of slight orange. The finish ends with notes of fresh humus, forest and spices (cloves, saffron and nutmeg)...

In the mouth, the attack remains subtle. The well represented juniper evolves toward the freshness of coriander and cucumber. This gin has a light structure and fills the palate with fine aromas of fruits, citrus and spices.

The finish is long and tendstoward a lemon taste (lime) with a touch of bitterness and freshness

THIS GIN @43%VOL CAN BE ENJOYED ON THE ROCKS OR DILUTED OR COCKTAILS

Osmoz Tonic

- 6 cl gin Osmoz Classic
- 15 cl of tonic
- ice cubes
- 1 lime wedge
- 5 Juniper berries

Osmoz, ce sont deux gins pensés pour être en parfaite osmose avec l'ancrage cognacais et les racines de la Famille Vallet. Entièrement élaborés et distillés à partir de raisins, ils allient modernité et tradition. Osmoz Classic, élaboré à partir de raisins allie très subtilement fraîcheur et complexité. Osmoz Citrus, un gin frais, dynamique, concentré, actuel et harmonieux tirant à 46% se prête parfaitement à une consommation en cocktail, en GIN FIZZ ou GIN TONIC.

Osmoz are two gins designed to be in perfect osmosis with the attachment and roots in Cognac of the Vallet family. Entirely crafted and distilled from grapes they combine modernity and tradition. Osmoz Classic made from grapes is a subtle mix of freshness and complexity. Osmoz Citrus, a fresh, vivid, concentrated, modern and harmonious gin with a 46% proof is perfect in cocktails, gin fizz or gin tonic.

Mars 2018:

GIN OSMOZ, Classic

Ce gin est particulier car il est à base de raisins. Au premier nez, il y a toujours les notes de genièvre mais en arrière-plan, on retrouve les arômes de raisin. Pour moi, ce produit est un mélange de gin et de bonne grappa. Dans un gin habituel, lorsque vous le sentez profondément, vous avez la force de l'alcool ; dans celui-ci, le nez est savoureux, facile. C'est la première fois que je trouve un gin qui peut se boire pur, vous n'avez pas besoin de le mixer avec du tonic ou autre. Au palais, il est savoureux, rond, pas agressif malgré 43° d'alcool. C'est un très joli produit. Je pense que le marché du gin actuellement se diversifie et chacun cherche une niche, et ce gin a vraiment quelque chose de particulier.

This gin is very special as it is made with grapes. We still have the juniper character in the first nose. In the background you have the grape aromas. That is why to me this product is a mix of gin and good grappa. In a regular gin, when you deep nose it, you get all the punch of the alcohol; in this one, you feel it is savoury, easy-going. It is the first time I find a gin you can drink alone. You don't need to blend it with tonic or whatever. It has a great savoury character in the mouth, round, not punchy at all although alcohol is 43° per vol. It is a really nice product. I think the gin market nowadays is diversifying, everybody is looking for a niche, and this gin is really something special.
