

RAMMSTEIN RUM

This Rammstein Rum is a balanced blend of Jamaican and Guyanese potstill rum and column still rum from Trinidad. Guyanese and Jamaican rum are valued by blenders and experts alike for its heavy body and deep aroma. The strong characters of both pot still rums are tamed by the elegant nature of its Trinidadian counterpart. Rammstein Rum has matured in ex-Bourbon barrels for up to 12 years, which gives the rum a hint of wooden smokiness and a warm amber colour.
